TRAVEL UPDATES

What you need to know before you go!

- Check your destination's COVID-19 situation before traveling. State, tribal, local and territorial governments may have travel restrictions in place.
- Wearing a mask over your nose and mouth is required in indoor areas of public transportation hubs and vehicles (including airplanes).
- Do NOT travel if you are sick, tested positive for COVID-19 and haven't ended isolation, had close contact with a person with COVID-19 and haven't ended quarantine, or are waiting for results of a COVID-19 test.
- If you are not up to date with your COVID-19 vaccines and must travel, get tested both before and after your trip.
- Check with your travel agent regarding up to date changes.
